

Forest of Dean District

Personal Details:

Name: Danuta Kurucz

E-mail: 

Postcode: 

Organisation Name: Public

Comment text:

Coleford East and Coleford Central wards to be merged, with 3 councillors representing the combined 7500 community. At last election, only two people stood for Coleford East and so were automatically selected. But it shows that there is no perceived need. Also, Bream and Pillowell wards merge for the same final numbers, 1 councillor/2500 community. West Dean parish currently contains Berry Hill, which is geographically closer to Coleford and Staunton Parish and contains the leisure Centre and school/college that serves Coleford. This should be brought back into Coleford Parish jurisdiction and West Dean Councillors reallocated if necessary.
