Subject: Broxtowe Borough Council. proposed ward boundary changes.

Categories: Broxtowe, Submission

Dear Paul,

I wish to register my objection to the proposal to move some 119 properties from Cossall parish to Awsworth parish in the current electoral review. Whilst I appreciate the intention is to rebalance the electoral numbers the current proposal is unsound for two reasons.

One is that it would financially destroy Cossall Parish Council and therefore leave them unable to continue, a council that has existed since 1894.

Secondly, in the current Core Strategy some 300 new properties are proposed to be built in Awsworth and these are most likely to be built in the first tranche, many being completed before 2019.

Regards,

Cllr. Ken Rigby.
