Hi Johanna,

Thank you for your email.

I have consulted with the Leader and Chief Executive, who signed off the previous submission on behalf of the Council.

Due to the minor difference in the electorate figures, the Council is not minded to alter its previous decision which was passed by a large majority at the Council meeting on 19 December 2014.

Please confirm that you have received our formal letter requesting that the county retains its one member per division status.

Kind regards,
