

Leicestershire County

Personal Details:

Name: Glenys Timson

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name:

Comment text:

As Shepshed is due to have yet MORE houses, which are neither needed nor wanted it will become too large to be included into Loughborough. I would therefore like to propose that we be combined with Coalville which is a much better proposition considering the amount of growth which is also taking place in Loughborough. Shepshed is a separate entity from Loughborough and we do not wish to be combined into ONE HUGE AREA with no identity of our own.
