Dear Sirs,

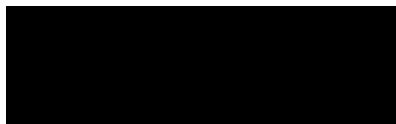

**Re: Future Electoral Arrangements – Lincolnshire County Council
Spalding Elloe Ward**

The position of Pinchbeck Parish Council remains unchanged to that of our letter of the 6th February 2016 regarding the proposal to changes to the electoral arrangements for the Spalding Elloe Ward area within the South Holland District of Lincolnshire County Council.

The current arrangements in place work for this rural area and as such there is no requirement for any change to be implemented to the Spalding Elloe Ward. This ward has been in existence for a number of years and Pinchbeck Parish Council request that no changes whatsoever are made to the boundary.

We trust that our comments are taken seriously and that the Spalding Elloe Ward remains unchanged.

Yours faithfully,

Barbara Camps
Parish Clerk
