Subject: Electoral Review of South Norfolk

Thank you for the opportunity to contribute our views into the consultation process.

We understand that the pattern of wards is intended to reflect the interests and identities of local communities, as well as promoting effective local government.

Further to discussion at a recent Parish Council meeting, I am writing to advise that the view of Starston Parish Council, currently part of Beck Vale Ward, is that the interests of electors would be best served by our parish remaining in a ward with other rural parishes eg Pulham Market, Pulham St Marys and Rushall, rather than the parish being part of a ward with our local market town of Harleston.

Kind regards

Ann Leitch
Chairman, Starston Parish Council
