

Dear Mr Owen

As requested by you in our recent telephone conversation. I list below why I feel that Wessex Drive and Ranworth Close, [REDACTED] should be in the Barnehurst Ward and not Slade Green Ward:-

1. Ranworth Close is reached via Wessex Drive, the very next road to Eversley Road. All of Eversley Road will be in the Barnehurst Ward.
2. The back gardens and garages in Ranworth Close actually back on to the gardens of the houses in Eversley Road.
3. The detached bungalow in Wessex Drive, has a large garden that goes onto Eversley Road. It is planned that this bungalow will be demolished and 10 houses are going to be built on this land.
5. When my Husband and I purchased the house 36 years ago, we were under the impression we were buying a house in Crayford, at least that is what the Deeds said. We now find ourselves living in a house in Erith and now we will be in the Ward of Slade Green if the decision put forward is implimented.
6. I believe anyone who looks at a map of the area in question would put Wessex Drive and Ranworth Close in the Barnehurst Ward and not the Slade Green Ward.

I hope the above is the information you need.

Thank you for your help and assistance in this matter.

Regards

Marian Khamo
