The Local Government Boundary Commission for England
14th Floor, Millbank Tower

6 September 2016

Dear Sir or Madam,

On behalf of Erith and Thamesmead Conservative Association, I would like to respond to your further limited draft recommendations for the ward boundary review of the Barnehurst, Erith, North End, Northumberland Heath and Slade Green.

We fully support your further recommendations as we consider them an improvement on what has been previously been proposed.

We think that your recommendations will enable a sense of identity for each ward, which will help improve the local communities in these areas.

We also think that future Councillors for these areas will be more able to serve and represent their residents. Your recommendations for these wards contain sufficient diversity to be able to create an integrated community, but not so much diversity that there is the danger of some small minorities being neglected.

Yours faithfully,

Cllr. John Davey
Chairman, Erith and Thamesmead Conservative Association

Chairman: Cllr. John Davey President: The Rt Hon Priti Patel MP
Parliamentary Spokesperson: Mrs Anna Firth
