Dear Sirs

I am writing in response to the request to comment on the Electoral Review of East Cambridgeshire submitted to you recently by the East Cambridgeshire District Council.

As Chair of the City of Ely Council, we are in full support for their suggestion that they retain 28 members (NOT 27) with the boundaries as indicated by them for this.

The reasons for this are that they are in line with our current Parish Boundary, retaining our close relationship with all the areas within it. It also continues to support the cultural, social and economic links that are within the boundary. Focus group consultation with residents indicates that they, too, are in favour of retaining their close relationships within the current boundary which can only be obtained with the 28 member ECDC option.

We trust that you will take due note of our wishes and incorporate them into your review.

Yours faithfully

CLLr Lis Every
Mayor of Ely and Chair of the City of Ely Council
