Dear M. Cooper,

Thank you for answering my letter regarding the proposed Parish boundary changes for Cranwell. Thank you also for supplying information and maps about the Further Draft Recommendations for Lincolnshire.

After studying the North Kesteven map and data, I find I am fully in favour of the alternative division pattern. The map also appears to leave the Cranwell Parish boundaries as they are now.

I do hope that this alternative pattern is adopted.

Thank you for your time and attention.

Yours Faithfully
