Subject: Electoral Review of Bexley: Further Limited Draft Recommendations

Dear Sir/Madam

With reference to your letter of 2 August 2016 to the Chief Executive of the London Borough of Bexley and further to my e-mail of 23 March 2016, I write in my capacities as one of the three Barnehurst Ward Councillors and as a long-term resident of the Ward.

Having reviewed your further limited draft recommendations for the revised boundaries of Barnehurst Ward and Northumberland Heath Ward, I write to express my support for your proposals and express my appreciation for the work of the Boundary Commission.

Kind regards

Howard Marriner (Cllr.)
Barnehurst Ward
L.B. of Bexley
