Dear [REDACTED]

**FOI 07/11**

Thank you for your email requesting mapping in central southern England.  
You requested:

*A map of central southern England showing the county council boundaries for West Sussex, East Sussex, Hampshire & Surrey showing as many place names and road names / numbers as possible.*

*A map of West Sussex showing all the district & borough council boundaries in as much detail as possible showing place names and road names / numbers.*

*A map specifically of the Chichester District area in as much detail as possible showing all place names and as many road names & numbers as possible.*

In order to avoid having to send you multiple emails with very large attachments, I have provided the following links to the webpages for the most recent electoral review of each county council:

<http://www.lgbce.org.uk/all-reviews/south-east/surrey/surrey-county-council>

<http://www.lgbce.org.uk/all-reviews/south-east/hampshire/hampshire-county-council>

<http://www.lgbce.org.uk/all-reviews/south-east/east-sussex/east-sussex-county-council>

<http://www.lgbce.org.uk/all-reviews/south-east/west-sussex/west-sussex-county-council>

On each page there are links to maps. The following links are for the overview map of each county council:

Unfortunately, there is not a map of Chichester in greater detail than the overview sheet for West Sussex, but that map does have background detail including major roads. For each county, the detailed map sheets all show roads and road names.

You may also find it useful to visit the Election Maps website at:

<http://www.election-maps.co.uk/searchByName.jsf>

Election Maps is free to use, and shows details such as roads and road names with boundaries on top. You will need to search for the local authority you are interested in, and then click on the 'show layers' tab to choose which boundaries and details to show.

Alternatively, the relevant councils may have more detailed mapping, or you may wish to purchase detailed maps from Ordnance Survey.

I hope this information is of use to you, but if you have any further queries, please do not hesitate to contact me, quoting the reference number above in any correspondence.

If you wish to request a review of our response, please write to:

Freedom of Information Officer  
Local Government Boundary Commission for England  
Layden House

If you are not happy with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision; details of this procedure can be found on the ICO website: <http://www.ico.gov.uk>.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Local Government Boundary Commission for England.

Yours Sincerely,
