Subject: Electoral Review

I wish to register my objection to the proposed changes affecting the Alpington with Yelverton Parish Council. After discussion with some parishioners it is clear that the residents of Alpington and Yelverton are strongly opposed to leaving the Rockland Ward and joining the Brooke Ward.

The reasons given include:

The present situation works, don't change it.

The current District Councillor is excellent, lives in our parish and we do not want a DC from another parish.

These are views which I personally support.

Ivan Green, Parish Councillor, Alpington and Yelverton.
