**Our Ref: 08/11**

Thank you for your request for information dated 30 March 2011, which was received by the Local Government Boundary Commission for England (LGBCE) on 31 March 2011.

You have requested for data relating to constituency boundaries for the United Kingdom. In particular the number of registered voters in any given constituency at each general election, as far back as the data exists.

The LGBCE does not hold information relevant to parliamentary constituency boundaries. We suggest that you direct your request to the Parliamentary Boundary Commission.

Their details can be found at [www.boundarycommissionforengland.org.uk](http://www.boundarycommissionforengland.org.uk).

This information would also be held by the relevant local authority in which the constituencies relate.

For your information, the LGBCE is responsible for conducting reviews of local authorities' boundaries and electoral arrangements.

I hope this has been of assistance.

Regards,

Bolanle
