Your feedback: There should be no reason to decrease the 44 councillors for a borough of over 100,000 people nor increase when necessary cuts are being carried out on the public.
My concern is accountability - there are 17 wards out of 21 where there are two or more councillors.
People deserve to have a single named elected representative. It is especially

confusing to the public to have councillors of different political parties responsible for the same ward.

I ask that two- and three-member wards be split up to achieve one-councillor, one-ward.
