Dear Mr [REDACTED],

Our ref: 04/12

Thank you for your request for information, dated 20 April, under the Freedom of Information Act 2000.

You requested:

The precise boundaries (in longitude and latitude pairs or similar co-ordinates) of all local, county and unitary authorities in England

The Commission does not hold the information you requested. However, Ordnance Survey is responsible for keeping data on all current English local government boundaries and can be contacted on:

Tel: 08456 05 05 05

If you have MapInfo or other GIS software and access to BoundaryLine, via OpenData or some other source, then MapInfo 'Change View' can show the map co-ordinates of any point on the map. The Ordnance Survey helpline for OpenData is 08454 08 18 95.

The Commission's website (<http://www.lgbce.org.uk/>) contains links to PDFs of LGBCE maps produced for electoral reviews.

I hope this has been of assistance. If you have any further queries, please do not hesitate to contact me, quoting the reference number above in any correspondence.

If you are unhappy with the response or the way in which your request was dealt with and wish to make a complaint or request a review of our decision, you should write to:
