

Broxtowe District

Personal Details:

Name: Douglas Harper

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Private

Comment text:

I have lived in Broxtowe Area for seventy years, the last forty in Attenborough. Attenborough is a distinct area with a unique village culture. It has nothing in common with Chilwell and should not be subsumed within a Chilwell boundary change. To preserve our environment, it should stand alone with its own elected representatives.
