Dear Alison,

Unfortunately, your email arrived after the 14 October closing date for submissions on the consultation on council size for Broxtowe. However, reading the detail of your email your comments would appear more pertinent to the next stage of the review, the consultation on warding arrangements, which is scheduled to commence in December.

Please let me know whether you wish your submission to be considered as part of this stage of consultation.

Dear Sirs,

Re: Trowell Ward

Following discussions on the review at my Council's October meeting, Members have asked me to contact you to respectfully suggest that in future the 17 houses on Trowell Park Drive, Trowell which are officially located in Stapleford be included in Trowell for electoral purposes only. At present, these voters have to pass the polling station in Trowell to travel into Stapleford to vote which seems both illogical & impractical.

Should you require any further information on this point at this stage, please do not hesitate to contact me directly.

Kind Regards
