**Subject:** Electoral Boundary Changes

I understand that some significant changes are being proposed that make no sense to me at all - before the decisions are 'steam rolled' through in the ignorance of many that are directly affected may I request a halt to proceedings until a rational discussion and understanding is achieved please. I cannot get in to the minutia of each implication because I am new to the role - but I feel that if I do not object I am effectively agreeing to the changes - WHICH I DO NOT.
