### Feature Annotations

#### Map Features:

Annotation 1:

Annotation 2:

#### Comment text:

Blackley village and the Blackley area has a separate identity to Crumpsall, Charlestown and Harpurhey. Due to a large new estate and other new builds in North Manchester the electorate has also increased. We should create a new ward as indicated on the map and reduce numbers elsewhere by merging Didsbury East and Didsbury West, as Didsbury has its own identity as one place.
