

Babergh District**Personal Details:****Name:** Anthony Cory**E-mail:** [REDACTED]**Postcode:** CO10 0 LD**Organisation Name:****Comment text:**

We do not need this extravagant council, too many mistakes, appalling planning. We have a parish council and a county council, we DO NOT require three tiers of local government. Much too expensive, get rid of Babergh completely, it is not needed. The town and parish councils can look after local issues and the county council can look after Suffolk as a whole. But Babergh should be disbanded completely. Thank you for listening.
