Dear Sir or Madam

Our Group has carefully considered your proposals for the revised ward boundaries in Broxtowe.

The Conservative Group supports all of your proposed warding boundary proposals.

Our only comments concern ward names.

We would suggest that the new Awsworth and Trowell ward be renamed Awsworth, Cossall and Trowell. This would reflect the three very distinct parishes within this new ward.

We would also suggest the incorporation of the word Greasley in the title of the Eastwood Hall and Watnall & Nuthall West wards. Greasley is a very active parish area within Broxtowe and the Local Councillors and residents are keen the new ward names reflect fact that substantial parts of these two wards are within the parish of Greasley

Yours truly
