Comment text:

I disagree with the proposal to move certain parts of Arlington parish (Hempstead Lane West and Arlington Road West into Hailsham. This pre empts WDC's proposals to build an extension of Hailsham in Arlington in a way which is unseemly at this very early stage in the consultation. Hailsham should be kept on the east of the A22, Arlington on the West, as it is now. The numbers of existing houses involved is insignificant.
