

Babergh District**Personal Details:****Name:** Michael Fraser**E-mail:** [REDACTED]**Postcode:** [REDACTED]**Organisation Name:****Comment text:**

Hadleigh currently has two councillors in each of both wards. With Hadleigh being a growing town and the current councillors all stretched with their responsibilities, I suggest it would be very unwise to reduce their numbers. Hadleigh should keep its 4 councillors as much of their work affects those living in surrounding wards, as residents of these wards come into the town to use the services on offer.
