### Comment text:

I am the Notts County Councillor for Beeston South and Attenborough. Very many residents are opposed to Attenborough moving into Chilwell East. Views expressed, some of them very strong include: Attenborough has a strong village community that needs one voice Local issues are quite different in Attenborough from Chilwell Attenborough is a self contained vibrant community needing it's own ward Attenborough has a long history and so a strong community identity Attenborough must not merge into the amorphous mass that is Chilwell Resdeints who have contacted me direct and asked me to pass their opposition on are Mr Max cook, Ms Margaret Blakeborough and Ms Sarah Dumelow.
