Annotation 1: This area to be added to Bognor Regis West and Aldwick

Comment text:

The area I have highlighted in blue has always been part of Bognor Regis. We pay our taxes to Bognor Regis Town Council, shop in Bognor Regis and often work in Bognor Regis. Bersted is not an area we identify with. Bersted has grown because of the new housing development north of the A259 and has a more rural feel than urban Bognor. I therefore feel that the area in blue east of Hawthorne Road should be added to the Bognor Regis West and Aldwick division.
