Comment text:

As a partner in Millbrook Caravan Park and having a family interest in [REDACTED], I was surprised to find that the ward boundary between Crooklands and Burton & Holme shown on the map divides the properties at the entrance to the caravan park (e.g. Millbrook Cottage is shown to be in Crooklands while Millbrook House is in Burton & Holme). We consider ourselves to be "in Endmoor" and so would expect to be in Crooklands (and Preston Richard CP). It may be that the boundary has been shown incorrectly on the map and it does in fact follow the route of Peasey Beck; however, I would suggest that it follows a different geographical feature namely along the top of the hill that forms the western boundary of the wooded area known as 'Gatebeck Plantation'.
