As Horsham District Councillor for the Nuthurst Ward, I am very concerned to see the current proposal which splits the Nuthurst Parish Boundary in two, placing Mannings Heath in St Leonard's Division, and part of Monks Gate with Nuthurst and other small hamlets in Southwater Division. Please can this be reviewed to allow the whole of Nuthurst Parish to remain as one within the Southwater Division as is current. The new Division of St Leonard's will be subject to increasing numbers owing to development under the HDPF and I believe this will accord with the desired 10% margin. Thank you. Mrs A. Bradnum Horsham District Councillor for Nuthurst
