Dear Review Officer

Electoral Review of Lincolnshire: Draft Recommendations

At the full Council meeting of Boston Borough Council held on 18 January 2016, consideration was given to the Local Government Boundary Commission for England's draft recommendations on the future electoral arrangements for Lincolnshire County Council.

After due consideration, the Council resolved to respond to the consultation to support the Division names as proposed by Lincolnshire County Council in preference to those suggested by the LGBCE in the draft recommendations.

LGBCE Proposed Division Names	LCC Proposed Division Names (supported by Boston Borough Council)
Boston North	Boston North
Boston South	Boston West
Butterwick and Wrangle	Boston Coastal
Holland Fen and Sutterton	Boston Rural
Skirbeck	Boston East
Wyberton and Marshes	Boston South

The Council expressed the view that the preferred names for the divisions clearly identified and described the areas which they covered, rather than using arbitrary settlement names which did not represent any community identity.

The Council had no concerns regarding the proposed boundaries for the Divisions.

Yours sincerely,

Phil Orury
Chief Executive
