Dear [REDACTED]

**Our ref: 11/12**

Thank you for your email of 7 November 2012, which was received on the same date, requesting information under the Freedom of Information Act 2000.

You have requested:

**Information about the future of Kingskerswell and its boundary.**

The Commission does not hold information relevant to your request. I am, however, able to tell you that the Local Government Boundary Commission for England is not currently undertaking either an electoral review or a principal area boundary review of Teignbridge, nor are there currently any plans to do so.

There is an electoral review of South Hams currently in progress but this review will have no effect or bearing on the boundaries surrounding Kingskerswell.

If you have any further queries, please do not hesitate to contact me, quoting the reference number above in any correspondence.

If you wish to request a review of our decision, you should write to:

Sarah Vallotton  
Business & Committee Services Manager  
Local Boundary Commission for England  
Layden House  
76-86 Turnmill Street  
London  
EC1M 5LG

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Details of this procedure can be found on the ICO website: <http://www.ico.gov.uk>.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Local Boundary Commission for England.

Yours sincerely,

Dean Faccini

Dear Sirs

### **FREEDOM OF INFORMATION ACT 2000 REQUEST**

I would like to request information about the future of Kingskerswell and its boundary..

What i would like to know is what does the future hold for Kingskerswell. Rumour has done the round for the last twelve months about the boundary being moved. I am hearing that the boundary will be moved forcing Kingskerswell to be moved into Torbay's jurisdiction.

If the rumours are true, then please confirm what will happen. Who was consulted. If not, will the residents of Kingskerswell have a say about the boundary move? Well, it is a democracy after all.....

I have communicated with Mr Gordon Hook, County Councillor of Newton Abbot South and he said that he knows nothing. That he would oppose such move. i will oppose such move as well.

I will look forward to hear from you in due course.

Your sincerely
