Comment text:

[REDACTED] I would request that Twyford Lane is moved back into the Forest Row ward/parish. The postcode for our properties [REDACTED] is Haywards Heath, West Sussex when we are in East Sussex. This has caused lots of confusion with emergency services, delivery services etc. and continues to do so. On our postal addresses the Royal Mail will not acknowledge Twyford Lane and lump us under Birch Grove; again more confusion for anyone trying to find us via post codes. Royal Mail say any change have to be done by ESCC. Forest Row is closer to us than Danehill and Nutley. Hindleap Farm at the top of the lane is in Forest Row as is Cripps Manor, both on Hindleap Lane which Twyford Lane joins onto.
