Cllr. Ben Berry

Dear Sir/Madam,

Re: SLDC proposals for SLDC warding arrangements

South Lakeland District Council have arranged to submit a set of warding proposals. They have been given grace to submit these after the deadline to accommodate meetings so forgive my response coming before their submission is formally logged with you.

I will not analyse each ward but focus on some communities that have significant issues with the wards proposed by SLDC.

Troutbeck: Troutbeck's inclusion in Ambleside and Grasmere is against the wishes of the residents of Troutbeck. As I have mentioned in previous correspondence at the last review Troutbeck voted 58% to 36% that they saw Windermere as their community hub. Moreover the petition I submitted includes keeping Troutbeck with Windermere.

Windermere: Troutbeck should be included in Windermere for the reasons outlined above.

Bowness and Burneside: This is the worst ward proposed I have seen. There is no doubt that if this had been your original

proposal I would have a petition of 600 residents against this. Whilst Staveley in Westmorland and Burneside together makes sense, bolting on a community that barely borders is verging on the ridiculous. The towns of Staveley and Burneside should be with Whinfell ward, mirroring the County division.

Grange: To cut Grange up in the way as proposed is farcical. Grange is a significant population centre. To have it cut in half to then have large rural areas stretching north is grasping at straws. Please keep Grange together.

Thank you for reviewing this.

Kind regards,

Ben Berry

Cllr. Ben Berry

Dear Sir/Madam,

Re: SLDC further electoral review

Thank you for your initial findings published on 10th May 2016 and for reviewing my personal submission.

On receipt of your initial findings I was very concerned about the proposal for "Windermere" and "Ambleside and Grasmere wards".

I decided to take my concerns public and you will be aware that the residents, businesses and Town Council of Windermere join me in my concerns. As well as coverage of the review, the issues facing Windermere were specifically covered by the Westmorland Gazette twice generating much comment. Moreover I raised a petition, attached below, which read:

We the undersigned do not agree that large swathes of Windermere should be moved into Ambleside and Grasmere ward. Windermere train station, our shopping area, Rayrigg road and Belle Isle should all be in Windermere as they are now. Please strongly consider Ben Berry's warding proposals.

[Signature]

The issue went viral and the community stand with me in the proposal for a "Windermere" three member ward made up of the entirety of Windermere, Applethwaite and Troutbeck ward,

Windermere Town ward and Bowness North Ward. With a two member ward "Bowness and Lyth Valley" made up of Bowness South ward and Lyth Valley ward with the polling areas of Cartmel Fell and Newton-in-Cartmel.

I am equally concerned regarding the SLDC proposal of putting Bowness with Burneside. There is no doubt in my mind that if Bowness and Burneside had been your original proposal I would have a petition of 600+ residents against that proposal.

Please listen to the people of Windermere, reflect their community wishes and deliver effective and convenient local Government by accepting a Windermere ward and a Bowness and Lyth Valley ward.

Kind regards,

Ben Berry

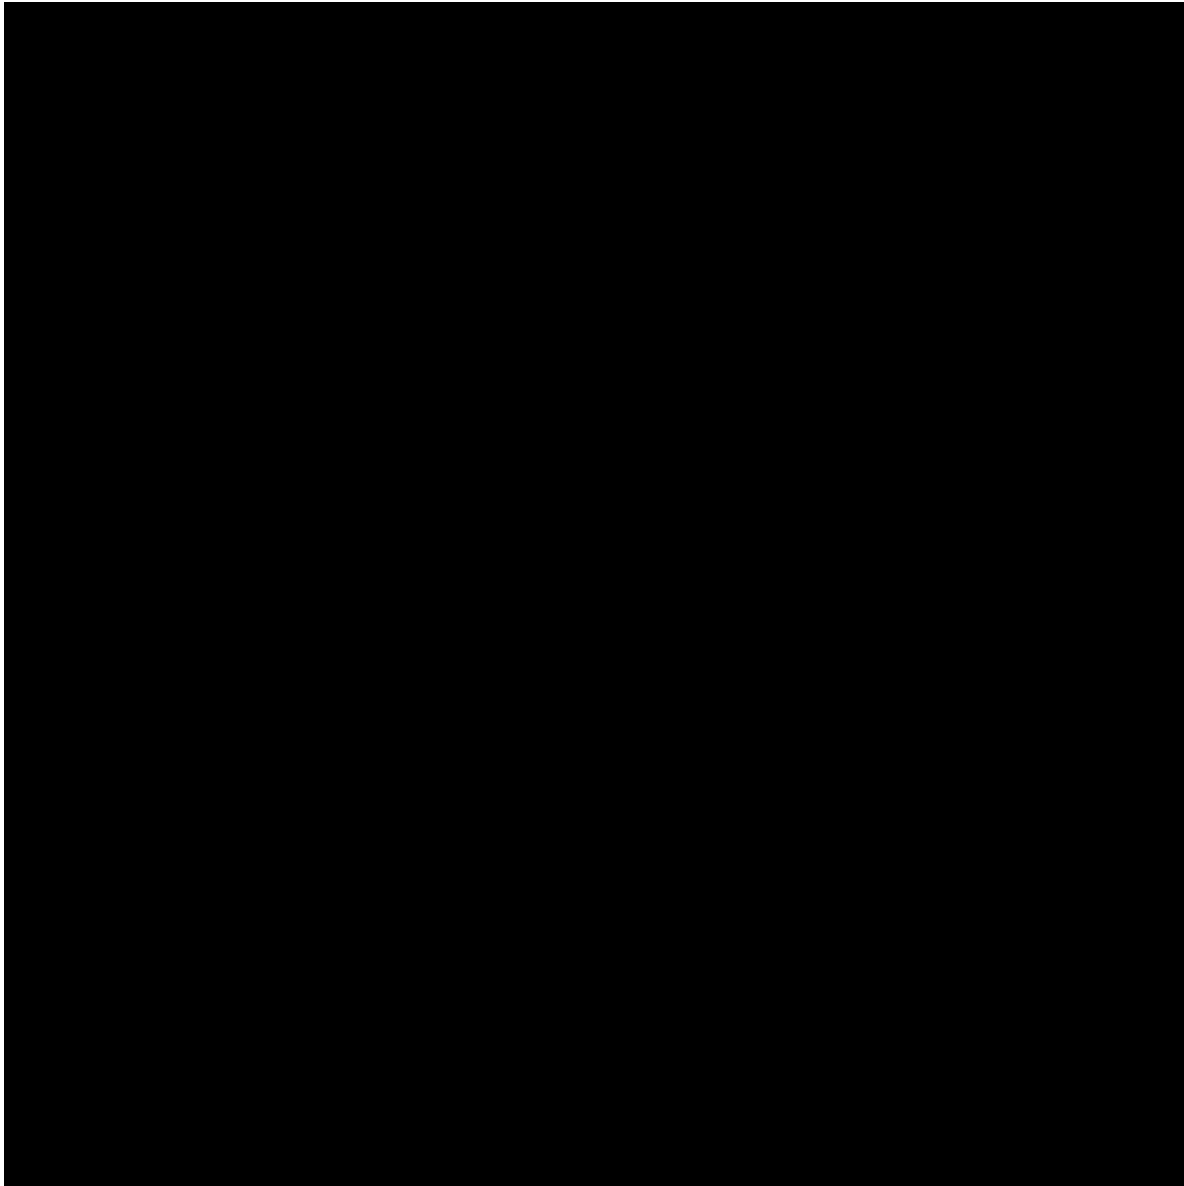

Councillor for Windermere, Applethwaite and Troutbeck
