Comment text:

Proposed changes in boundaries for Coopers Green Road, Five Ashdown, East Sussex, TN22 3AA. Wealden District Council. I am writing on behalf of Coopers Green Road residents, as the local registered Neighbourhood Watch representative. Under your plans we are due to come out of Buxted Parish Council and under Uckfield North District. We wish to retain our link with Buxted as we align ourselves more with this Parish and the local village of Five Ashdown. Buxted Church is our local ecclesiastical connection. Five Ashdown we note is to remain in Buxted PC which appears illogical, as does the proposed movement of houses in Mill Road. We are sufficiently removed from Uckfield to not benefit from their services and indeed our Council Rate Tax is correspondingly lower because of this. Our road is a rural one without street lighting. We request that the boundaries remain as of now.
