I am a resident of Lavenham Parish Council. I would prefer to see this Parish within a ward within Preston St Mary and Brent Eleigh. Preston St Mary and Lavenham do have ties with their respective churches and church services. The Preston Road leading out of Lavenham is something that both villages have concerns over near a new housing development. I understand that Preston St Mary have close geographical ties (Whelp Street being partly in Preston St Mary and partly in Brent Eleigh). These parishes have a close connection, but would I think benefit from having a larger core village nearer to them than their current core village(s). The Brent Eleigh Road in Lavenham leads directly out to the village of Brent Eleigh.
