1: I propose that Brookfield Home Park as shown above be moved from Walton Ward to Werrington South Ward.

**Comment text:**

Brookfield Home Park has the same access to local facilities as the area immediately to the north, Dukesmead, which is in Werrington South. Residents of Brookfield Home Park have no logical connection with Walton and their interests would be better served as part of Werrington South. I am writing both as an individual and in my capacity of chairman of the area Residents' Association which serves both Brookfield Home Park and Dukesmead.
