Comment text:

Brinkley parish council would like to comment that we have previously stated that we would prefer to be grouped with villages closer to us and that we have more in common with. Brinkley and Burrough Green are virtually isolated from the rest of the Bottisham ward and we have little contact with the villages of Bottisham, Reach etc a. The people in Dullingham and Stetchworth are neighbours and want to be in a ward with their neighbours with common local concerns b. We see Bottisham as remote and have few common local concerns c. The people of Brinkley wish to be in Woodditton ward d. There is a natural community, south of Newmarket and the A11 Brinkley are in the South East Claylands whereas Bottisham is in the Chalklands and Reach is in Fenland. We naturally sit most comfortably with others like Woodditton.
