Comment text:

I would like to thank Professor Colin Mellors (Chair) and members of the Commission who noted the comments made by myself (local member) and from Starston and Pulham St Mary parishes and took the time to visit the area to confirm between Dickleburgh & Rushall, Pulham St Mary, Pulham Market and Starston parishes. I am very happy with the commissions proposed 2 member ward referred to the draft recommendation as Dickleburgh & Scole. I also understand my 3 parishes Pulham Market, Pulham St Mary & Starston are likewise happy with the proposed draft recommendations. My and my parishes only comment is the proposed name, in reality the new 2 member ward is a combination of 3 single member wards (minus Needham). As a result I propose the new Ward should be called "Beck Vale with Dickleburgh & Scole" or "Beck Vale, Dickleburgh & Scole" to reflect the 3 individual wards becoming a larger 2 member ward. Feel free to call or email me to discuss if required. Clayton Hudson Cabinet Member for Stronger Communities and Leisure (including Broadband) Local Member for Beck Vale South Norfolk
