

SOUTHFLEET PARISH COUNCIL

4th November 2017

Review Officer (Dartford)
LGBCE 14th Floor
Millbank Tower
London SW1P 4QP

Dear Sir

Dartford Council Electoral Review

In response to the above consultation:

We understand it is proposed to reduce the number of Members from 44 to 42:we consider this would be the right degree of scaling down.

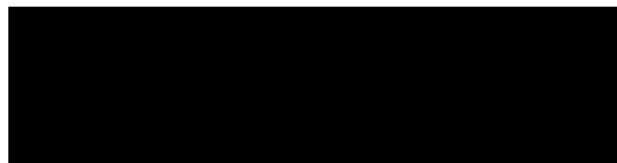

Number of wards: it is obvious there will be changes due to the progress of the Ebbsfleet Garden City. In this regard we welcome the protection given to parishes in the document.

In effect a chance to level up demographics: we have no complaint.

Ward Boundaries: a sensitive matter: there is a need for local consultation.

Ward Names: again, a need for local consultation.

Sincerely

Chairman
