

## What's happened /is happening?

**The Bring and Buy Sale** raised £340. The children will decide what they wish to use the money for. Thank you to all who donated and bought; also to the school council for organising and running the event on the day.

### Safety Online - Be Aware

There are very nasty games/ online app currently out there. One has a character that encourages children to add a contact on WhatsApp then hounds them with violent images and dares/challenges. This is popping up in the middle of things like games/ Youtube videos through hacking. We will be reminding all children over the coming days of the online safety messages and the 'Tell an Adult.'

### Dyslexia - helpful information

A number of children in every class are dyslexic. The Nottingham Dyslexia Association [www.dyslexia.uk.net](http://www.dyslexia.uk.net) is a very helpful website; they also run training workshops for parents about every 6-8 weeks called 'Gadgets and Gizmos' that help children with access to reading and writing. Workshops cost £5, are roughly 2 hours and you can sign up as interested via the website.
