MAZDA CX-5

PRICES & SPECIFICATIONS

MAZDA CX-5

When you drive a Mazda, you never drive alone. The feeling of togetherness, which we call Jinba Ittai, runs deep in Mazda CX-5. Designed with a human-centric approach, superior craftsmanship and innovative Skyactiv Technology that improves responsiveness, heightens driving pleasure and builds an enduring relationship between car and driver. The outstanding exterior and interior design will awaken the driver in you every time you see it. It's the Mazda way.

The Mazda CX-5 is our stylish award winning SUV that provides a smooth, refined ride coupled together with Mazda's renowned driving experience. Designed around Mazda's 'car and driver' as one philosophy, the Mazda CX-5 has been designed to fit into a variety of lifestyles. Whether its driving the morning commute, driving the kids to school, or even packing your bags and hitting the road for a weekend break, the Mazda CX-5 will provide you with the flexibility to fit your lifestyle.

Designed with the powerful stance and the bold toughness of an SUV, the strong styling provides the car with a road presence and looks that will have you admiring this SUV from every angle. Inside, you will find high levels of specification as standard, including Cruising Traffic Support, Mazda Radar Cruise Control, Mazda Connect infotainment, Apple CarPlay® and Android Auto™ connectivity, as well as a comfortable and commanding driving position.

Model available on the Motability Scheme

6 YEAR | MAZDA WARRANTY

CRAFTED IN JAPAN

THE LATEST IN TECHNOLOGY & CONVENIENCE

MAZDA CONNECT

The latest in-car infotainment

Mazda Connect allows for seamless connectivity between you and your Mazda. Information is displayed on a beautifully clear central 10.25" screen which is perfectly positioned at eye level.

Mazda Connect is designed to enable intuitive operation of infotainment features and functions, such as the DAB radio, Mazda Navigation as well as Apple CarPlay® and Android Auto™.

WIRELESS APPLE CARPLAY® & ANDROID AUTO™

Smarter, safer way to use your smartphone

With Apple CarPlay®, get easy access to Apple Music, Maps, Messages, and make phone calls with Siri or through the car's Multimedia Commander.

Android Auto™ also allows you to access your favourite music and messaging apps. Google Assistant voice control helps you send and receive messages, make calls, get directions and plan your day while you keep your eyes safely on the road.

THE LATEST IN TECHNOLOGY & CONVENIENCE

MULTIMEDIA COMMANDER

Maintain focus on the road ahead

The Multimedia Commander provides simple and easy access to the Mazda Connect infotainment system. The tactile feel plays to the senses allowing for ease of use whilst on the move, and more importantly, allows you to keep your eyes on the road.

BOSE PREMIUM SOUND SYSTEM

Like our cars, the Bose 10 speaker premium sound system is made to move you.

Featured on our Exclusive-Line, Homura and Takumi grades, the high performance speakers make you feel like you're at the front row of your favourite concert, making you feel immersed in whatever you're listening to.

The premium sound system includes all of the latest Bose technologies such as Centerpoint signal processing and AudioPilot noise compensation technology which all contribute to an immersive entertainment experience.

THE FLEXIBILITY TO FIT INTO YOUR LIFE

WEEKEND AWAY, PACK YOUR BAGS

Your companion for the perfect weekend away. With a luggage capacity of up to 522 litres, the CX-5's generous boot allows you to bring everything that you need.

Practicality is further enhanced with a 40:20:40 split rear bench to accommodate those larger items.

Featured on Exclusive-Line grade and upwards, convenience is increased with a powerlift tailgate for handsfree access to the boot.

SKYACTIV ENGINE TECHNOLOGIES

e-SKYACTIV G

Both 2.0 165ps & 2.5 194ps e-Skyactiv G powertrains are highly-efficient direct-injection petrol engine's, that achieve impressive efficiency thanks to the high compression combustion, resulting in excellent fuel economy and low CO_2 emissions. e-Skyactiv G also features cylinder deactivation, delivering further improvements in economy and efficiency by automatically switching between two-cylinder and four-cylinder operation when cruising at constant speeds, and not when under heavy loads. The engine shuts down two of the four cylinders with fuel injection and injection timing precisely controlled, so that the cylinder deactivation isn't noticeable to the driver.

SKYACTIV-D

Our extremely low compression Skyactiv-D diesels are among the most efficient engines available, especially under real-world driving conditions. The latest technology does not only reduce emissions, but also enhances response and noise behaviour. Impressive torque and strong performance paired with our latest Skyactiv chassis and transmissions result in a refined, engaging drive.

MAZDA M HYBRID

Mazda M Hybrid is our innovative evolution of hybrid car technology. It uses four main components to capture energy that is normally wasted during braking. It stores that energy within the 24v Lithium-ion Battery and uses it to assist the engine and power the car's electrical systems, meaning you can drive further on a tank of fuel whilst also contributing to lower CO_2 emissions and other particulates.

The Mazda CX-5 features this new technology which comes as standard on e-Skyactiv G petrol engines. The result is a car that delivers outstanding performance, low running costs and strong environmental credentials.

SKYACTIV-VEHICLE DYNAMICS: TRANSMISSIONS, CHASSIS AND BODY

TRANSMISSIONS

Skyactiv-MT is a light and compact manual transmission system that combines superior fuel economy with the crisp shifting feel of a sports car, ensuring perfect control.

Also available is Mazda's highly-efficient, 6-speed Skyactiv-Drive automatic transmission. Featuring the best attributes of CVT, Dual Clutch and conventional automatic transmissions, Skyactiv- Drive provides you with a direct feel with smooth gear shifts leading to great fuel economy.

SKYACTIV-CHASSIS

Providing a lightweight chassis that delivers driving pleasure and comfort, leading to that pure 'Jinba-ittai' oneness between car and driver. The perfectly fine tuned chassis provides our famed driving experience of agility at low and medium speeds, and stability at motorway speeds for both driving pleasure and comfort.

SKYACTIV-BODY

For a car to excel in its basic functions – accelerate, turn and stop – it must have a lean body, but also be sturdy to ensure safety. Mazda CX-5's body has been designed around these elements leading to a light, rigid and robust body that ensures safe and joyful driving.

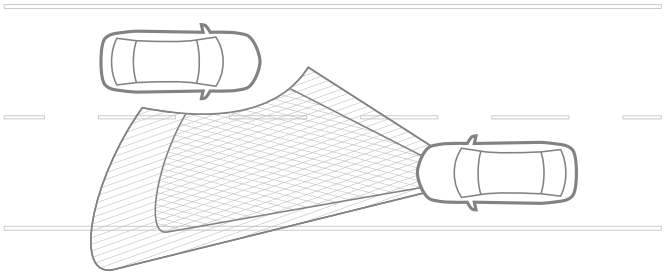

ADVANCED SAFETY TECHNOLOGY

COLOUR ACTIVE DRIVING DISPLAY (HEAD-UP DISPLAY)

The system includes Traffic Sign Recognition and projects full-colour information directly onto the windscreen within the driver's line of sight. The displayed information is divided into upper and lower sections: driving information, including navigation turnby- turn direction and speed limit information is displayed in the upper section, while vehicle status, including current speed and advanced safety equipment status, is displayed in the lower section.

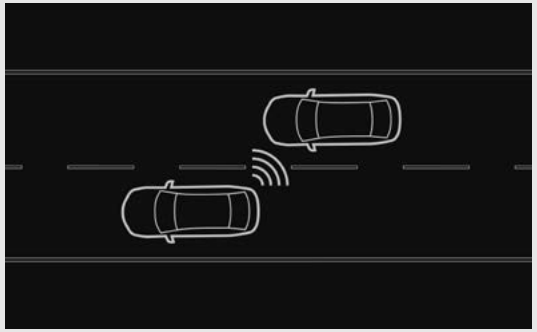

(Not available on Centre-Line and Newground models)

ADAPTIVE LED HEADLIGHTS

Mazda's Adaptive LED Headlights provide the ultimate in headlight technology, lighting up the road ahead as if it were daytime and allowing anybody to enjoy safe and stress-free driving at any time of day. The system increases visibility at night to help drivers stay vigilant by combining three technologies: Wide-range Low Beams which light up a wider area at low speeds, Highway mode which helps you see further when travelling at speed, and Glare-free High Beams which automatically dim part of the illuminated area to avoid dazzling other drivers.

(Optional on 165ps Exclusive-Line models and standard on all Takumi models)

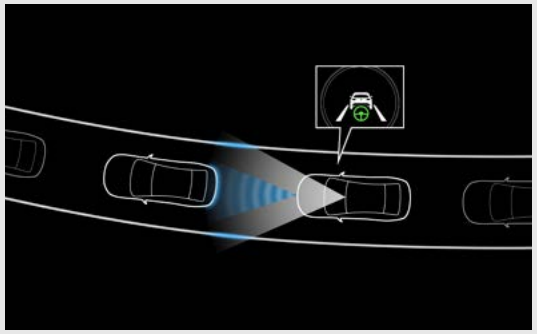

BLIND SPOT MONITORING (BSM) WITH REAR CROSS TRAFFIC ALERT (RCTA)

BSM uses radars mounted in the rear bumper to detect vehicles approaching from behind and in the adjacent lane. It alerts the driver to the presence of vehicles in the blind spot on either side by displaying an icon in the appropriate door mirror. If the driver indicates to change lanes with a vehicle in the blind spot, the icon flashes and a warning beep is sounded.

RCTA is designed to help you make sure it's safe to start backing up. The system uses the same radars and indicators as BSM to watch for vehicles coming from both sides and alert the driver when they come near.

(Standard across the range)

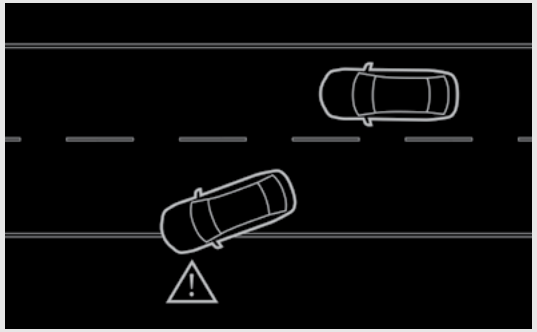

ADVANCED SAFETY TECHNOLOGY

CRUISING & TRAFFIC SUPPORT (CTS)

Automatically operates acceleration and braking to maintain a proper trailing distance between your Mazda and the vehicle ahead. In addition, it assists with steering operations to keep the car within its lane. CTS contributes to reducing driver fatigue, as well as supporting a safer, more reassuring and more comfortable driving experience.

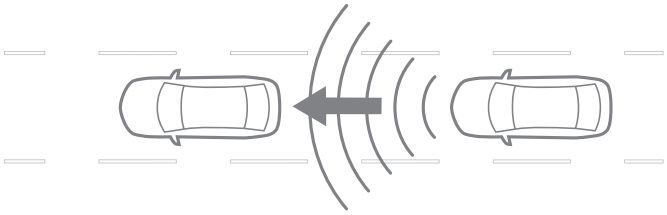

(Standard across the range)

LANE-KEEP ASSIST SYSTEM WITH LANE DEPARTURE WARNING SYSTEM

Designed to prevent your vehicle from inadvertently straying from its lane. A front view camera monitors the road ahead and calculates the cars position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound. The system will also take corrective action to help you stay within the lanes through assisted steering.

(Standard across the range)

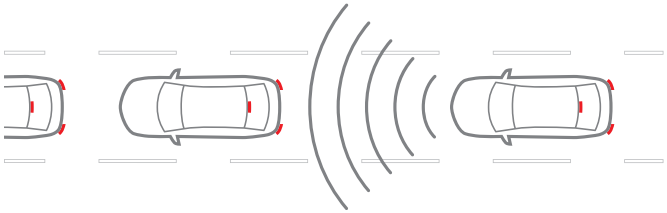

MAZDA RADAR CRUISE CONTROL

To activate, the driver sets a maximum speed (just as with cruise control) and size of the gap to maintain. The radar watches for traffic ahead and once the system senses a vehicle in front, the car will slow down and speed up automatically maintaining the drivers pre-set distance. The system also features 'Stop & Go' function, meaning the vehicle will automatically accelerate and brake in start/stop traffic with minimal input from the driver.

(Standard across the range)

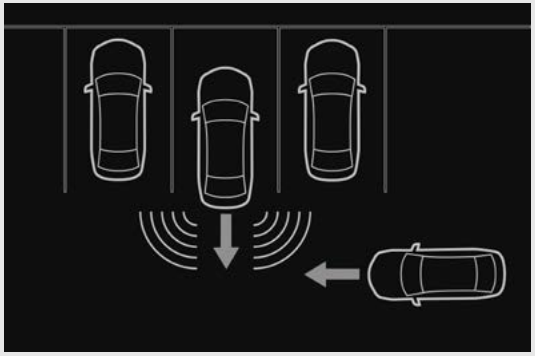

ADVANCED SAFETY TECHNOLOGY

SMART BRAKE SUPPORT – FRONT

Alerts the driver of a possible collision using the warning indications in the display and a warning sound if the front radar sensor and Forward Sensing Camera determine that there is the possibility of a collision with a vehicle ahead, pedestrian, or a bicycle. Furthermore, if a collision is unavoidable, the automatic brake control is performed to reduce damage in the event of a collision.

(Standard across the range)

SMART BRAKE SUPPORT – REAR

Reduces damage in the event of a collision by operating the brake control when the system's sensors detect an obstruction at the rear.

(Not available on Centre-Line models)

i-ACTIV AWD

Whether you are on the motorway on a dark and rainy night or driving up a snowy country road, Mazda's all-wheel-drive system is designed to provide safety and comfort with fuel efficiency. Our engineers have developed i-ACTIV AWD to constantly monitor road conditions in real-time, watching for tiny variations in wheel speed that a driver would never notice. The system proactively controls the distribution of torque to all four wheels providing solid and predictable handling for allroad performance.

(Available on Takumi models)

ADVANCED SAFETY TECHNOLOGY

OFF-ROAD MODE

Enables the driver to switch between normal driving mode and Off-road mode, engaging in a higher-stability driving mode for use on loose surfaces such as mud, or gravel. Allowing you to stay in command of the vehicle instilling confidence and driving enjoyment no matter where the road or track takes you.

(Standard on 194ps Takumi models)

VEHICLE TAX RATES

VEHICLE TAX RATES TAX YEAR 2025-26

CO_2 EMISSIONS FIGURE (G/KM)	ALL CARS FIRST YEAR RATE	ALL CARS STANDARD RATE (12 months)
0	£10	£195
1-50	£110	£195
51-75	£130	£195
76-90	£270	£195
91-100	£350	£195
101-110	£390	£195
111-130	£440	£195
131-150	£540	£195
151-170	£1,360	£195
171-190	£2,190	£195
191-225	£3,300	£195
226-255	£4,680	£195
Over 255	£5,490	£195

First-year rate is paid when first registering a vehicle and is for the first 12 months Vehicle Excise Duty. After the first 12 months, the standard rate applicable at that time is payable. Vehicles with a list price >£40k will be subject to a premium of £425 over the Standard Rate for 5 years from the start of the second licence.

WARRANTY

All Mazda cars registered from 1st September 2025 will benefit from a six-year manufacturer's warranty, or 100,000 miles, whichever comes first.

6 YEAR | MAZDA WARRANTY

MAZDA SERVICES

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

MAZDA FINANCIAL SERVICES

Mazda Financial Services offers a variety of finance and insurance products to suit the needs of both private and business customers. With our wide range of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Financial Services.†

MAZDA EXCESS RETURN VOUCHER

When you apply for Free Driveaway Insurance for your new Mazda, you'll also receive a free 1-year Excess Return voucher which pays back up to £250 of your insurance excess cost, regardless of who you're insured with, if you use our Call Mazda First service. If you have a Mazda Excess Return voucher and need to make an insurance claim, simply Call Mazda First before your insurer on 0800 015 0367.

MAZDA INSURANCE

When you buy your new Mazda from a Mazda franchised dealer, we'll give you free comprehensive Driveaway Insurance so you can get on the road there and then. Upgrade to our annual cover and benefit from our Mazda Accident Repair Promise all year round. In the event of an accident, unlike most other insurers, we guarantee to repair your Mazda at a Mazda Approved Bodyshop using only Mazda Genuine Parts. This helps to protect your Mazda's safety rating, resale value and manufacturer warranty. Plus, you'll also get windscreen damage cover, EU cover and a complimentary courtesy car. We'll even pay your cancellation fee if you're insured elsewhere*. Eligibility criteria, terms and conditions apply.

Ask your dealer or call Mazda Insurance on 0330 102 7995.

Get a quote online at www.mazdacarinsurance.co.uk

Mazda Insurance is arranged and administered by Verex Insurance Services Ltd which arranges policies from a panel of insurers.
*Offer not available online. Offer conditions apply.

FREE MAZDA ACCIDENT AFTERCARE

In the event of an accident, Call Mazda First 0800 015 0367 before your insurer for free 24-hour Accident AfterCare and to redeem your £250 Excess Return voucher. Our dedicated case handlers will liaise with your insurer and arrange Mazda Genuine Parts and repairs at a Mazda Approved Bodyshop, keeping your Mazda 100% Mazda and maintaining your Mazda warranties. We'll also provide accident recovery if your Mazda isn't driveable and a free courtesy car during the repair. Terms and conditions apply.

Save 0800 015 0367 to your mobile phone.

TAX FREE – DIPLOMATIC AND MILITARY SALES
For further information contact your Mazda dealer or contact Mazda on 03457 48 48 48.

MOTABILITY
For all Motability enquiries please contact your Mazda dealer or contact Mazda on 03457 48 48 48.

This price list, dated 1 October 2025, supersedes all previous price lists. It includes changes to Vehicle Excise Duty as confirmed in the Autumn 2024 budget affecting recommended 'On the Road' prices. Final prices shown are recommended 'On the Road' prices and are inclusive of number plates, 12 months' Vehicle Excise Duty and first registration fee. Certain models may be subject to changes in CO_2 emission levels and Vehicle Excise Duty Bands. Due to ongoing updates the specification (including fuel consumption, CO_2 emissions and equipment) of the vehicle you order and receive may be different to that detailed in this guide. Please speak to your dealer for the latest information. Images may not be to UK specification. †Subject to status to over 18s. Indemnities may be required. Terms apply. Mazda Financial Services.
