Description

WeWork Tower Bridge offers a modern coworking experience up on the top floors of a historic building. Members enjoy breaks out on our balcony, private offices that overlook all of London's landmarks, and unique event spaces. Commuting couldn't be easier with nearby Tower Hill and Tower Gateway stations, not to mention on-site bike storage and showers. Finance, tech startups, and digital agencies appreciate this location for its mix of locals' spots and visitor appeal. Join us at WeWork Tower Bridge, and get iconic inspiration right out your window.
