

# 2019 Practical Approach to Daylight PDT Course

**Tuesday 18th June 2019**

**Photobiology Unit, Department of Dermatology, Ninewells Hospital,  
DUNDEE, Scotland**

**Accredited by the Federation of the Royal Colleges of Physicians of  
the United Kingdom for 4 category 1 (external) CPD credits**

This course introduces daylight PDT, provides practical experience and discusses important issues such as clearance rates and side effects. It will be particularly useful for delegates who wish to start daylight PDT or for those already practising who would like to gain more experience. There will be a mixture of lectures and practical sessions where delegates will get to see every part of the treatment process, with a highly experienced team and patient involvement.

**Course Directors:** Prof Sally Ibbotson & Dr Ewan Eadie

**Course Organiser/Administrator:** Miss Stephanie Logan

<b>Venue:</b>	Photobiology Unit, Dermatology Department, Level 8, Ninewells Hospital, Dundee
<b>Cost:</b>	<b>£120 - which includes:</b> <ul style="list-style-type: none"><li>• Course fees</li><li>• Course folder/handouts</li><li>• Lunch</li></ul>
<b>Accommodation:</b> (not included in fees)	We have negotiated special rates at two of Dundee's 4* hotels, bed and breakfast. To benefit from these prices just quote the course name when booking your accommodation. There will be a free bus service available in the morning from each hotel to the hospital. <b>Apex City Quay Hotel (£99pp) 01382 202402</b> (must be prepaid to take advantage of rate) <a href="http://www.apexhotels.co.uk/en/hotels/dundee/apex-city-quay-hotel-and-spa/">http://www.apexhotels.co.uk/en/hotels/dundee/apex-city-quay-hotel-and-spa/</a> <b>Boutique Hotel Indigo (£79pp) 0330 3311750</b> <a href="https://www.ihg.com/hotelindigo/hotels/gb/en/dundee/dndid/hoteldetail">https://www.ihg.com/hotelindigo/hotels/gb/en/dundee/dndid/hoteldetail</a>

**Tuesday 18<sup>th</sup> June 2019**

**PRACTICAL APPROACH TO  
DAYLIGHT PHOTODYNAMIC  
THERAPY (dPDT) COURSE**

**PHOTOBIOLOGY UNIT,  
NINEWELLS HOSPITAL,  
DUNDEE**

Time	Presentation	Description	Speaker
09:30 – 10:00	<b>Registration and Coffee</b>		
10:00 – 10:30	<b>Lecture</b> An Introduction to daylight-PDT	An introduction to daylight PDT: principles, practice and application in the UK.	Professor S. Ibbotson
10:30 – 10:45	<b>Lecture</b> Step-by-step lesion preparation and drug application	The detailed practicalities of how to introduce daylight PDT and key information required.	Ms C. Goodman
10:45 – 11:25	<b>Practical</b> Treatment review, Lesion preparation and drug application	Small group review of a patient's treatment outcome, followed by observation of a patient being prepared for daylight PDT.	Clinical Technologist and Nursing Team
11:25 – 11:55	<b>Lecture</b> Daylight PDT requirements – light, temperature and sunscreen	A presentation of the various factors that can impact on daylight PDT outcomes and a review of published recommendations.	Dr E. Eadie Dr P. O'Mahoney
11:55 – 12:15	<b>Practical</b> Calculating light dose received at the treatment site	A practical exercise of performing light measurements and calculating light doses that may be received during daylight PDT.	Dr E. Eadie Dr P. O'Mahoney

	12:15 – 13:15	Lunch		
	13:15 – 13:45	<b>Lecture</b> Daylight PDT for AK: clearance rates and tolerance	A presentation on the expected outcomes and adverse effects of daylight PDT.	Professor S. Ibbotson
	13:45 – 14:05	<b>Lecture</b> Indoor and Artificial Daylight PDT	A presentation on performing dPDT in a conservatory setting or with artificial light sources.	Dr E. Eadie Dr P. O'Mahoney
	14:05 – 14:35	<b>Practical</b> Evaluation of treated areas post daylight-illumination	Small group review and discussion with patients immediately post-treatment.	Professor S. Ibbotson
	14:35 – 15:00	Final discussion with questions and answers	Concluding discussion to address outstanding queries.	All

We would like to thank, Biofrontera, Galderma and La Roche-Posay for their contributions to this course.
