Introduction

Solihull Out of Hours District Nursing is available to those patients who have been referred to the service by a health professional. Existing patients who are attended to by a District Nurse can call the Out of Hours District Nurse Service on: **0121 717 4333** between Monday–Friday 16.30–09:00hours,all weekend and Bank Holidays

However, if it is your first complaint, please call your local GP surgery where their out of hours answer phone message will contain the number for “Badger”. The Badger facility will then provide Out of Hours GP services, which may involve district nursing but this will be following a necessary assessment.
