MESSAGE HANDLING: PASSING CALLS TO DOCTOR(S)

Some of the Doctors we cover may request Badger to take calls from their patients and then pass the details to them over the phone. Follow the process below.

1. Enter Dr Cameron into doctors field and select Victoria Road, some patients may refer to the surgery as Stoney Lane, you should still enter Victoria Road.

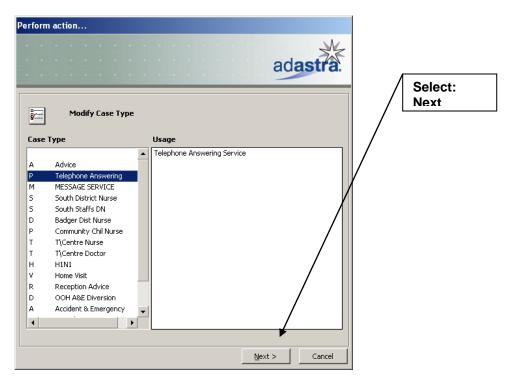

2. Continue to take the call completing all the fields including the details tab.

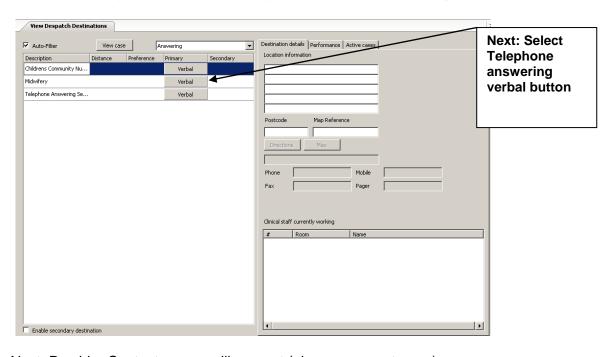

- 3. Store the call
- **4.** If the time line stated: <u>pass to own gp (Ahmed B)</u> the Modify Case type screen will default to **Telephone Answering**

- 5. Select appropriate priority Routine or Urgent
- 6. You will then be presented with the Despatch Destinations screen (please see below)

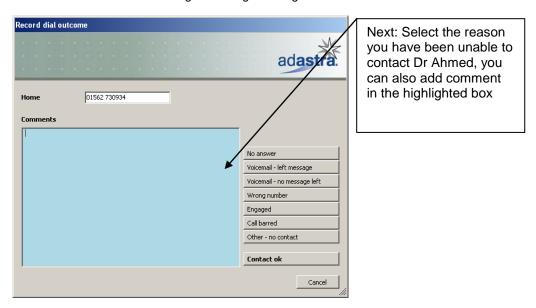

7. Next Provider Contact screen will present (please see next page)

- 8. When you speak to Dr Ahmed explain to him that you are calling from Badger and you have received a call from one of his patients, pass all the details of the patient to him and the reason for the call. Dr Ahmed will either decide to accept the call or ask for Badger to cover.
- 9. If Doctor Ahmed accepts the call highlight the comments box (shown in picture on previous page) and enter <u>Dr Ahmed accepted the call</u>. Next click on
- 10. If Doctor Ahmed requests Badger to cover the call, highlight the comments box and enter *Dr Ahmed requests Badger to cover the call.* Next click on Badger Advice the call will now go into the assessment pool.
- 11. If you are unable to contact Dr Ahmed there are two ways you can log this.
 - 1. In the highlighted comments box enter the reason you have been unable to contact Dr Ahmed and click on No Contact. The call will now stay in the despatch screen.
 - 2. Call Dr Ahmed on either his home or mobile,
