#### Please note:

1. The shifts to which these enhancements apply are those that are published as starting after 00:00 and before 23:59 on the day in question.
2. The rates apply to the whole published shift, not just to the part that falls between 00:00 and 23:59.
3. These rates of pay are only applicable to clinical and non-clinical staff working within the operational environment.
4. Employees with specific contractual arrangements are excluded.
5. All management and administrative employees are excluded from these arrangements.
