

WE DELIVER STRAIGHT TO YOUR CUSTOMER'S DOOR

Direct Delivery

Connect Distribution's Direct Delivery service means businesses are able to order items and get them delivered straight to their customers' doors! Orders placed on appliances, consumables or spare parts can still be ordered with discounted trade prices and then delivered to customers straight from the Connect Distribution warehouse.

Always striving to support customers as much as they can, Connect Distribution understands how important independent businesses are to their local communities. Space may be an issue for many of these businesses meaning it can be tricky to meet demand. With the Direct Delivery service, Connect Distribution's customers can access over 2 million appliance products, benefiting both their businesses and their customers.

Here is how else the Direct Delivery service can help businesses:

Save money

There's no need to invest in storage or stock. Connect Distribution can be your warehouse and save you those costs.

Save time

Packing and sending out your orders is done for you, freeing up your time to focus on your business.

Expand your product range

Offer your customers more choice than ever before with access to a larger product range.

Keep your customers happy

Your customers get what they're looking for quickly and conveniently and leave satisfied!
