

LOW CARBON LIVING SESSIONS

Free energy information and support for more sustainable living.

LOW CARBON LIVING FROM

CHANGEWORKS.

How it works:

Our 30–45 minute sessions can be delivered online or in person, led by Changeworks' expert energy advisors. Topics include:

- Saving energy at home
- Renewable technologies like heat pumps and solar panels
- Electric vehicles and e-bikes

Why offer this to your members?

- Help your community save money and energy at home
- Support greener, more sustainable living for everyone
- Access funding and grants to make low carbon living more affordable

> **"It was very informative [...] it was a great reminder to everyone and good to make everyone aware of what they can do if they are having energy problems."**
