CONTEMPORARY VOGUE PANEL

Fencing

IN STOCK

Liven up your landscape by adding fencing for privacy, structure and style.

The simplest and quickest solution to defining borders, fencing can also be used to create outdoor rooms and conceal unsightly areas and objects such as oil tanks and compost bins.

There's a wide range available to suit every budget and every style, from cottage garden to ultra modern.

Our in-stock options include Ultimate and Professional lap and feather edged panels which both come in natural green and golden brown, and a range of height options.

Standard 1.8m high panels are perfect for creating a private back garden, whilst the half height options are ideal for front gardens or to add to a low wall.

Grange
DEFINING GARDENS

For more subtle screening we also offer a range of trellis panels or, for an instant secluded spot to enjoy, why not add an arbour?

Don't forget we stock everything you'll need to put up your new fence as well as a wide range of stains and paints to let you customise it to match your individual garden style.

Hardwood & Softwood Decking

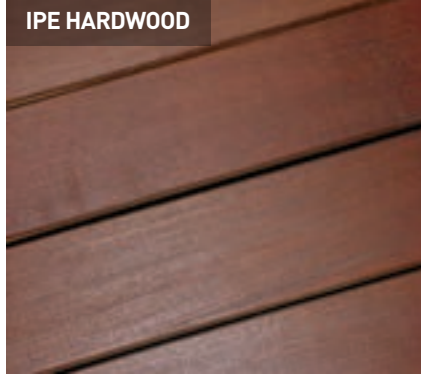

There's a wooden deck to suit every space and every budget.

Hardwoods combine highly practical and aesthetic qualities making them a premium choice for decking

- Naturally rich, deep colours that weather over time to develop a beautiful warmth and character
- Can be stained for distinct colour preference
- Highly resistant to fungal growth and offer naturally superior levels of durability and wear resistance
- FSC® certification, responsibly harvested from well-managed sources

**Hardwood

screws also
available**

IPE HARDWOOD

IN STOCK

IPE, our stock hardwood, is known as "Ironwood" and is the hardest and finest quality wood decking you can find.

This exotic hardwood is 8 times harder than California Redwood and naturally resistant to rot and decay.

Softwoods offer an exceptionally cost effective, flexible alternative.

Available in smooth or grooved finished they can be stained or painted for a unique, long lasting finish.

PREMIUM SOFTWOOD

ISLAND MIST

Trex Composite Decking

Trex®
OUTDOOR LIVING. ELEVATED.

To enjoy the beauty of a wooden deck with virtually no maintenance, choose Trex.

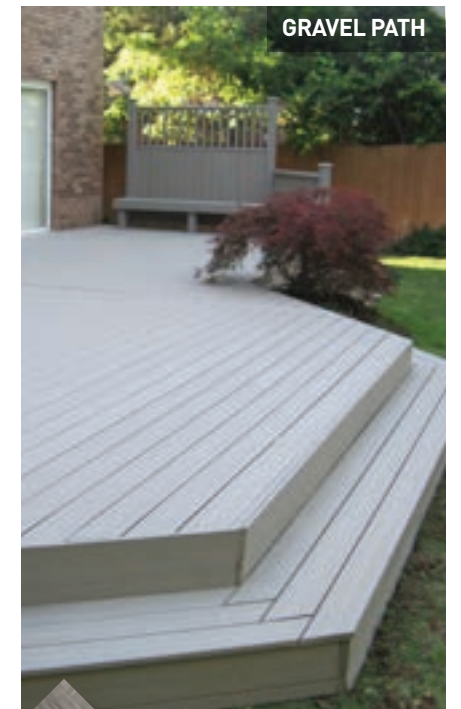

Trex is the world's No.1 decking brand and the inventor of wood alternative composite decking. There are a whole host of benefits including:

- Low maintenance
- Won't warp, rot, crack or split
- Eco friendly- 95% recycled

Trex decking also comes in a wide range of colours so there's no need to sand, paint or stain.

We keep three beautiful shades in stock, available in two different lengths, or as square deck board.

There's even matching fascia boards and colour match screws to ensure a perfect finish.

Millboard Composite Decking

Millboard decking offers all the beauty of wood without its drawbacks.

Wood free, non-porous, non-slip and UV stable, its composite material won't warp or rot, resists algae and needs virtually no maintenance, making it a truly trouble-free alternative.

Benefits of Millboard

- High quality design
- Resists algae
- Anti-slip
- Maintenance free
- UV stable

Enhanced Grain Collection

Moulded from smooth timber for a textured look and feel, it recreates the subtle nuances that only natural wood can give.

We stock three beautiful shades, Coppered Oak, Smoked Oak and Golden Oak each of which showcases the grain beautifully.

Because the finer details matter, we also stock bullnose edging and fascia board to create a seamless look.

IN STOCK

Weathered Oak Collection

Beautifully aged yet utterly timeless, this collection is available to order in Driftwood and Vintage shades and is moulded from 100-year-old reclaimed oak timber, creating a distinctive worn look, without the wait!

millboard®

It not only looks incredibly realistic
but is soft and comfortable

Artificial Grass

IN STOCK

It looks and feels like natural grass, only there's no mowing and no mud. It's also pet-friendly so it really is perfect for any outdoor space.

Elise

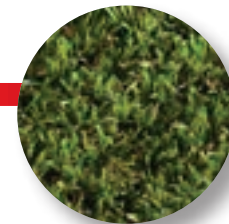

A neat look for your garden or landscape that's also very dense – made to look like the best kept lawns in the world.

Eclipse

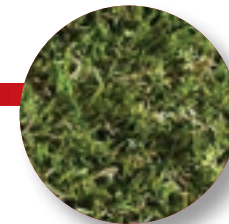

If you love the natural bounce from walking on a well-kept lawn, this one's for you with a 25mm pile height.

Meadow

Thanks to its fine curly fibres, it gives you an uncanny natural look for lawns, landscapes and schools or even pampered pets.
