

Sheaf Valley Cycle Route: Pond Hill

El Sub Sta

PONDS
FORGE

The bus parking spaces along Pond Hill would be removed and double yellow lines would be added to prevent parking and waiting.

POST

DELIVERY
OFFICE

A dedicated crossing for cyclists would be added at the junction with Sheaf Street.

POND STREET

A61 SHEAF STREET

The remainder of the cycle track along Pond Hill would be a 2m wide one-way segregated contra-flow spur to the bus station and Sheffield Hallam University, ending at Pond Street.

POND HILL

The taxi rank and parking bays along Pond Hill would remain and access to premises would be maintained.

A new 3m wide two-way segregated cycle track would be added at the crossing with Sheaf Street connecting to Concourse Way along which the main cycle route would continue. To accommodate the two-way cycle track, the two lanes of general traffic at this end of Pond Hill would be reduced to one lane.
