

MAGNA - TINSLEY: MEADOWHALL ROAD CROSSING

The cycle way will continue along the existing route running alongside Meadowhall Road.

SAINSBURY'S
PETROL STATION

Pedestrians will use existing paths here.

New and improved crossing points along Meadowhall Way/Meadowhall Road opposite the Sainsbury's petrol station will provide a safe crossing point for cyclists and pedestrians. The crossings will be signal controlled. This stops traffic on demand, giving priority to cycling and walking.

The existing crossing over Meadowhall Road will be resurfaced and widened to make it easier to cross safely.
